INTRODUCTION

AVS LINE TECHNICAL SERVICES LLC. Established in 2018 (Its Sister Company is working since 2009 in U.A.E) is a commercial contracting firm, well verse in Technical works and maintenance works in mostly all kinds of interior and exterior contract scopes. The Company is based in DUBAI, with a wide Client range in the whole UAE.

Our services include market research, concept development, preliminary space planning, and production of colored renderings, color sample boards through to working drawings, construction documents and final installations. The firm also attends site meetings with clients, general contractors, sub-trades, consultants and writes progress and deficiency reports on construction.

We offer a resource team approach, often acting as the prime contracting for an interior project, which requires quality performance, manpower assessment and speedy input.

We have founder association from 2009 in UAE market as a Building Contracting company. We are active in all skills concerning project motivation.

Our skilled labor force is augmented with a large equipment fleet including Air-condition, electrical jobs and finishing carpentry.

We are also active in all kind of service maintenance and cleaning strategy, mostly in Apartments and Villas. We have maintained a leadership role in a very competitive constructions market due to the dedication, loyalty, effort, skills and training of its employees. Also have a reputation for bringing projects to completion on schedule and on budget.

OUR MISSION

The mission of **AVS LINE TECHNICAL SERVICES LLC** is to promote through self-regulation, the highest standards of business ethics and conduct; and to instill public confidence in responsible businesses through contracting organization and action that inform, protect and assist the general public.

In this spirit, We conducts a quality performances program to gain public recognition for organizations that maintain a solid commitment to conducting their business practices in an ethical manner.

We seeks to develop a relationship of Trust, Respect and Transparency with our employees, customers and trade associates. Integrity is an integral part of our business. We are proactive to resolve issues or conflicts to create a positive, Win-Win approach. Each submission is made with scrutiny and verification so that honesty and integrity is truly rewarded. To provide valuable remodeling that will promote the long term enjoyment and value of our customers' property. This will be done in a way that allows a fair profit to be made for both the Customer and the Company.

We will strive to be attentive to our customers' requests and honest in all of our communications. Our attitudes will be guided with respect for others and ourselves. as an Interior/Exterior contractor, we will continue to develop our abilities as individuals and help the company grow as a dynamic organization offering custom solutions with current market trends for complete remodeling.

OUR VISION

We aim to build upon the strength of current foundations to meet the demands of the new millennium everywhere across the globe.

We seek to live in harmony with nature and society, playing our part as responsible citizens by enhancing and beautifying our surroundings, protecting nature and encouraging the personal growth of our people.

We seek to explore new technologies and markets, and create paint innovations that respond to customers' needs.

We seek to develop innovative and technologically advanced paint products that will enhance beauty and protect our surroundings.

We will create a workplace that maximizes the potential of each person, that creates mutual interdependency and trust, and that instills collective pride and identity, to be the leader in all kinds of technical works.

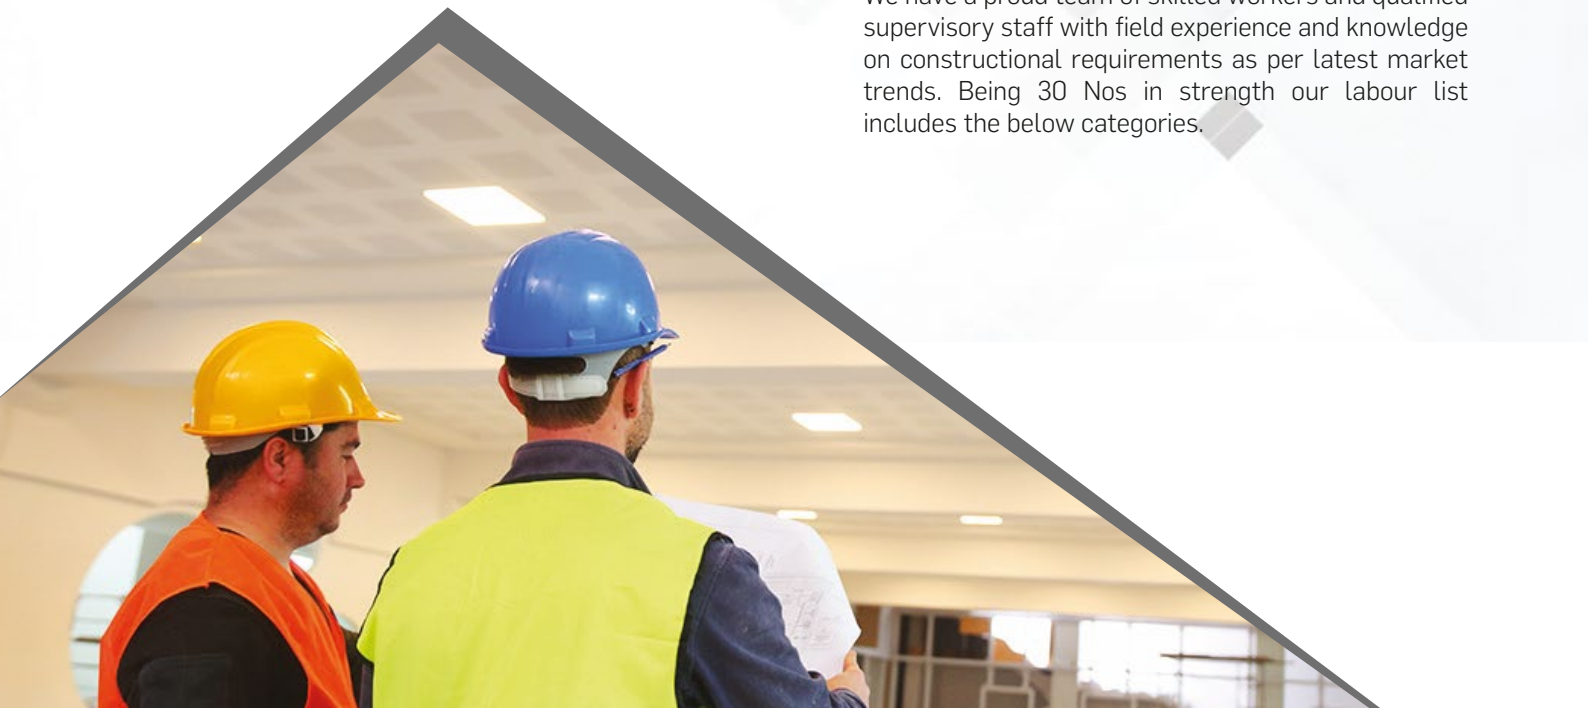

OUR TEAM

We are proud of the team we have built. Each member of our team has a good experience and a history of providing a high quality service to our customers.
